

ILLEGAL MOTION

At a party, you see a male friend trying to get an obviously drunk woman to leave with him. She's not just buzzed; she's stumbling over her own feet. You know the woman, and she seems reluctant.

TRAIN OF THOUGHT

Is this any of **my business?**.....Men and women who are **drinking** hook up all the time..... Then again, she looks really drunk. Maybe she's not in a position to make a good decision..... I know a lot of "date rape" involves alcohol. Could this be **one of those situations?**.....

But what if I'm overreacting? Won't my friend be mad at me? Will he even listen to me?.....

But if I don't do something, I might be letting her down.

What should I do?

OPTIONS

- ❶ Do nothing. It's really none of my business.
- ❷ Try to get my friend to leave her alone. Tell him he has to be real careful dealing sexually with a drunk woman.
- ❸ Find some of her friends and try to convince them to get her home safely.
- ❹ Approach the woman and ask her how she feels, and if she wants help getting home.
- ❺ Tell the host or hostess of the party that I'm worried about the situation, and warn them that they might have some legal responsibility to act.
- ❻ Get a group of my friends together - men and women - and confront my friend, firmly telling him to stop pursuing this drunk woman.
- ❼ Personal Option: _____
